

APPRENTICESHIPS. YOUR PATH TO SUCCESS.

OVERVIEW OF APPRENTICESHIP PROGRAMS

As an apprentice, you aren't just training for a job, you're building a career. Technical instruction with on-the-job training equips you with the industry-specific knowledge you need to perform highly skilled work. Apprentices earn a salary as they train; classroom instruction is covered. Training is paced to suit your individual situation and allows for a healthy, work-life balance. At the end of the program, you'll emerge a highly skilled professional with a sense of job security.

Earn a good living while you master in-demand skills. There are more than 100 apprenticeship paths you can choose from in Minnesota. Find your path. Apprenticeship works.
